

Coming in April:

The Rewarding Excellence® Visa® Prepaid Card!

In mid-April, you'll receive a new home for all your FCA US LLC program awards—the Rewarding Excellence Visa Prepaid Card! This card will replace your existing Rewarding Excellence® Prepaid MasterCard® and has all the same benefits you've come to know and love. You can use the Rewarding Excellence Visa Prepaid Card anywhere Visa debit cards are accepted, so continue to pick out your perfect rewards!

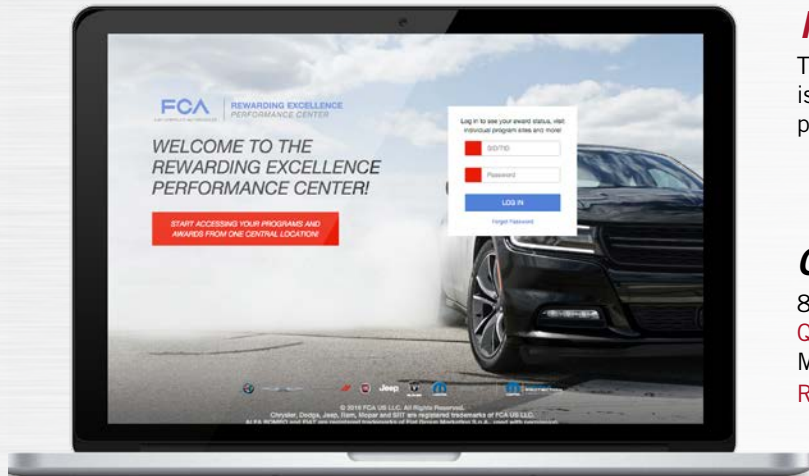

You will not be able to use your Rewarding Excellence Prepaid MasterCard after April 24, 2016. If you have used your card for hotel, rental car or any other reservations after this date, we recommend you provide the company with a different card to avoid any payment issues.
